EXPERIENCE

Motion Designer

ServiceNow (Moveworks acquisition) | *July 2026 - Current*

- Transitioning to the global brand team at ServiceNow after an acquisition. Product release, re-brand and design systems blending into the new brand.

Motion Designer

Moveworks | *April 2025 - July 2026*

- Design and animate motion graphics—from UI interactions to explainer videos— AI-powered solutions. Collaborating with design, marketing, product and demand gen., reinforcing our brand's narrative engaging users across channels.

Senior Motion Designer (Contract)

Meta | *July 2024 - February 2025*

- Working with multiple teams and departments creating social content to bring awareness and engagement to their ads platform. Internal and external deliverables.

Senior Motion Designer (Contract)

Snapchat Inc. | *July 2023 - March 2024*

- Elevate brand awareness on the small, medium business side of Snapchat using design + motion. Creating guidelines and design systems to streamline production and localization.

Senior Motion Designer (Contract)

Amazon AWS | *August 2022 - February 2023*

- Focusing primarily on event assets and social deliverables. Helping elevate the visual exploration for large scale internal and external events.

Senior Motion Designer

Firewood / Media Monks | *June 2019 - August 2022*

- Spearheaded two big global campaigns. LinkedIn Stories included top influencers sharing their personal stories extending reach by 40+ million views; localized into 80+ deliverables.

Motion Designer

Atlassian | *June 2018 - February 2019*

- Freelance motion to creating visual content for large scale conferences. Animations that were 2d, 3d and instructional; displayed in large and small formats.

Motion Designer

Instapage | *April 2016 - June 2018*

- Led all motion design efforts within our marketing team. Close collaboration with product teams, business development, demand gen and creative directors.
